

Bronx Council for Environmental Quality
8th Annual Water Conference & Membership Meeting

Wednesday, March 18, 2009

3:30pm to 7pm

Manhattan College, Leo Engineering Building

3825 Corlear Avenue @ W238th Street

Bronx, NY (#1 train or Bx9 to W238th Street)

No. 8 Boat Club Parade, Harlem River, © 1902 Falk

This year's conference will focus on helping Waterfront Stakeholders form a Harlem River Working Group to work toward, restoring the Harlem River, reconnecting the waterfront with the people, recreating the water's edge, and reinvigorating in-the-water recreational and commercial activities. Breakout groups will organize around stakeholder interests. Refreshments will be served and the public is invited to attend this free event.

Parks & Access Points along Harlem River: Spuyten Duyvil, Marble Hill, University Heights Bridge, Roberto Clemente, Bridge Park, Depot Place, Yankee Stadium Replacement Parks & Park Ave. Point
