# Construction Memorial Golf

*Benefiting the  
Joseph E. Van Etten '57 Memorial Fund*

Dear Friend,

The construction industry annual golf tournament, sponsored by the Manhattan College Alumni Society, has become a signature event for alumni and friends of Manhattan College. Founded by Joe Van Etten '57 in 1997, this year marks our 14th anniversary.

The scholarship established in Joe's memory is a tribute to all his efforts and generosity that have made this event what it is today. All money raised provides support for the College's traditional and distinctive mission, which is to offer a Lasallian Catholic education to students who would otherwise be unable to afford it. This scholarship will be awarded annually to a student who is enrolled in a full-time baccalaureate degree program in the school of engineering's civil engineering program and is in need of tuition assistance during regular academic semesters as determined by the College's director of financial aid.

Your support and participation in our golf tournament is very much appreciated. Please consider a personal or corporate partnership (see attached sponsorship opportunities.)
